Carville Vision and Values

Having a vision for school means having a goal for the future and undertaking a journey towards that goal. Everything we do as a school should lead us a step closer to our vision. The achievement of our vision is only limited by our imagination and the strength of our resolve.

At Carville we want:

- children and families to recognise the vital role of learning in shaping the world of their future
- every day to be a learning adventure which builds on children's natural curiosity and enthusiasm for learning
- children to take responsibility for the choices they make
- children to be confident, independent, creative thinkers
- respect for ourselves and each other to be central to everything we do
- every decision we take to have a positive impact on children's learning
- every member of our school community to feel safe and valued

Through this, in close partnership with home and the wider community, we believe we will prepare children to enjoy a life-time of learning.

The Carville Promise

May our school be welcoming.

May our school be encouraging.

May our friendships be never-ending.

May we be kind and helpful to each other.

May we respect all those we meet in our day.

May we be proud of our achievements.

May we learn as much as we can.

May we be patient and never give up.

Thank you for our Carville family.
