

Here Comes The Summer

The sun is shining, the children are laughing and the buzz of learning is in the air! It has been a great first week of the Summer Term and as restrictions continue to lift, we are enjoying more normal times inside and outside of school.

Our school attendance this week was 96.2% - above our target of 96%. Well done everybody.

'Breakfast Club' for all children

Our **FREE Breakfast Club** will continue for any child from Reception to Year 6. This will be from **8:10am**.

If you would like your child to have a FREE breakfast at school then please let us know so we can ensure safe numbers. You can use it every day or on occasional days and you don't need to book.

'Friday Club'

School closes to the majority of children at 12:30pm on a Friday afternoon. However, we will continue to offer a 'Friday Club' for anybody who is working, or has a different specific need, to take care of your children until 3:15pm. Friday Club children will remain in school to access the remote learning from the Media Suite, supervised by a member of support staff.

Please contact the school if your child needs to use this provision on Friday afternoon.

Date	Activity
12 th April	Return to school
12 th -16 th April	Work place skills: Problem solving and teamwork
27 th April	Wallsend Boys Club Breakfast and After-school 'Activate' Club starts
30 th April	Closing date for the North Tyneside Learning Trust 'STAR AWARDS'. To nominate a child click here
30 th April	Active Mile Day
3 rd May	May Day Bank Holiday – SCHOOL CLOSED

27 th May	School closes on Thursday 27 th May at 3:15pm
28 th May	Staff Training Day – SCHOOL CLOSED
7 th June	School Reopens on Monday 7 th Jun 2021

We look forward to hopefully inviting parents into school again in the second half of the Summer term.

School Uniform

School Uniform

Our distinctive purple school uniform is a really important way for all of our children to show they are part of our Carville Family. **All children should wear school uniform every day.** Carville and the local authority issued vouchers to support families to meet the costs of school uniform with school uniform vouchers: enabling families to buy polo and t-shirts, trousers, skirts, shorts and Carville logo purple jumpers/cardigans.

We will be enforcing the wearing of school uniform strictly, so if you are still having difficulty providing uniform please contact school so that we can help.

The examples below are all acceptable for school uniform, with tracksuit bottoms for PE days only.

Please send children to school in tracksuit bottoms only on their PE days. They should still wear a white top and their purple jumper.

On PE days, earrings should not be worn, or should be removed by your child for safety.

To make additional outdoor learning and PE easier to manage in a safe way we would ask that children wear flat shoes or trainers that don't need to be changed for sports every day.

Attendance – Every Day Matters

Less Than 90%	90 - 92.99%	93 - 95.99%	96 - 99.9%	100%
Persistent Absentee - you may be in danger of a penalty notice	Attendance needs to improve	Attendance is a concern	Excellent Attendance	Outstanding attendance!

To minimise as far as possible the longer-term impact of the pandemic on children's education, wellbeing and wider development it is important that all children return to school. Missing out on more time in the classroom risks pupils falling behind as children with higher overall absence levels tend to achieve less well.

School attendance was made mandatory again for all children on the 8th March 2021. **Your child must come to school on time, every single day.** It is your responsibility as a parent to send your child to school and our legal duty to record attendance, follow up absence and report children missing education to the local authority. Our usual first day response and attendance procedures will apply.

ACHIEVE AMAZING ATTENDANCE!

'Be on time

At five to nine!

Only a small number of children will not be able to attend in line with public health advice to self-isolate because they:

- Have symptoms or have had a positive test result.
- Live with someone who has symptoms or has tested positive and are a household contact.
- Are a close contact of someone who has coronavirus.

If they are unable to attend due to coronavirus self-isolation, children will be expected to complete their learning at home using Seesaw.

We have been able to work with and support all of our children and families so that they feel comfortable coming back to school and we know you have also supported each other outside of school. As a result we are proud to say that we do not have any families who are concerned about the risk in school enough to keep their child at home. This is a great achievement and we thank you all for your trust, support and caring.

We will be continuing to support families who arrive late to school regularly after Easter. Children find routines easier and are better prepared for a day of school when they arrive on time.

Please contact school immediately if you need to discuss any concerns about attendance or punctuality that arise.
